

WHY JOIN?

Membership in Peachtree Miata Club includes participation in club rides and events. We communicate through an email newsgroup and forum. Our rides and events are well organized and are led by a member sponsor that is both experienced and committed to your enjoyment of the event.

Our members receive the *Peach Buzz*, our monthly newsletter with interesting stories, coverage of events, and other news of interest.

Most of all, your membership in Peachtree Miata Club places you among a select group of individuals that shares your passion for the best selling sports car ever made.

If the thought of sharing your Miata experiences with others interests you, consider joining the Peachtree Miata Club. Attend one of our meetings or participate in an upcoming event.

Check out upcoming meetings and events on our website's calendar at www.peachtreemiata.com.

ABOUT PEACHTREE MIATA CLUB

For many drivers, car ownership is merely about transportation. As a Miata owner, you know better.

Does the exceptional balance and handling of your Miata often call you to a spirited ride in the mountains? Are entrance ramps and sweeping turns opportunities for you to wind out the motor and unleash that little roadster? Do your friends wonder why you're obsessed over one little car?

We know how you feel and are here to help you get more of what you're looking for. While solitary rides can be relaxing, we believe that many driving experiences can be enhanced by sharing them with other Miata owners.

As an organized group of Miata enthusiasts, we engage in many activities centered around our cars. These include social as well as gear-headed track events, and our event calendar strikes a balance that serves all our members.

Peachtree Miata Club has members all over North Georgia. Our members represent a wide range of driving, technical and automotive experience. We meet monthly for a business meeting that generally includes an interesting program.

We have dinner together and spend time discussing club business, planning new rides and activities, and catching up with each other.

Our cars span the entire range of model years - from early models to the new MX-5. Most are daily drivers and some have performance modifications, but all are equipped for the type of top-down cruising that our club members enjoy.

ACTIVITIES

Unlike many car clubs that are solely performance oriented, our members enjoy driving tours, social activities, track events, car shows, and other shared experiences related to our cars.

You will find members with perfor-

mance and mechanical interests and many members engage in racing activities. These range from SCCA Solo Events to Spec Miata Regional racing. While not everyone races, many members attend events, help out on pit crews, and get to see a lot of good racing.

Our drives are typically single-day events in the North Georgia Mountains that take in scenic vistas, challenging roads, and good restaurants. Occasionally we take weekend tours that expand our driving range to explore new roads and that provide overnight stays with social activities.

In many cases we join other Miata Clubs in rides or activities. Making new friends, finding new rides and destinations, and visiting with like-minded enthusiasts enhances the thrill of owning a Miata.

Our signature event, Camp Miata, is a weekend-long gathering in the fall which encompasses the best of Miata ownership. Organized rides, bench racing, food, and other activities draw members and guests from other clubs.

Join us for these and other activities that are planned around your interest in the Mazda Miata.
